(Titre)

(Salutations),

Since 2010, September 25th has been designated as the official *Franco-Ontarian Day*. Over 600 000 French speaking citizens live in Ontario, making it the largest francophone community outside of the province of Quebec. This day of awareness to the situation of Franco-Ontarians is to celebrate and to emphasize the anniversary of their flag and the presence of their community. In collaboration with several organisations and French schools in the region, we, (nom de l'organisme), are in the midst of preparing a community festivity to celebrate the *Franco-Ontarian Day* on September 25th in (nom de la ville) at (lieu).

We would like to organize a day of gathering for the francophone community in the region. There will be a diversity of invites such as municipal representatives, school board representatives, community organisations, government organisations and French speaking families in the region. This day would allow the French community to reunite in order to ensure its viability.

During this day, we are planning (liste des activités planifiées).

In order to realize such a grand activity, it is evident that we require some funding. We would like to solicit your financial contribution in order to ensure that your francophone citizens have a day to remember. We think that a contribution of (montant d'argent) on your part would allow this project to come true. The outcome of this project would be more than profitable for you.

Awaiting a favorable response to our request, please accept our kindest regards.
